

WISHING YOU WERE HERE FISHING REPORT

November 26, 2003

Hello fellow fishers this is a recap for the month of October. The water conditions from the beginning of the month to the end were great. We only had two days of un-fishable water for the entire month, and that happened right at the end. Our last two guests of the year didn't get to fish the last two days. However they both were able to get a Steelhead to hand during their trip.

Out of 30 anglers only one didn't land a Steelhead in October and most fish were landed on the fly including dries! Our guests landed over 70 wild Steelhead on the fly during our Steelhead program this fall! For a sampling of what October can bring to the table have a look at our website (www.westcoastfishing.ca) to see many of the great fish that were caught and released by our guests this fall.

After having the success that we have experienced by our anglers during the past couple of seasons on the

Nass River system we are putting in a camp for next season. It will cut down our driving time and increase our fishing time. **We only have two weeks left of space left to book for this great Steelhead action as well as some of the finest Coho fishing on the planet!**

We are very excited to have taped another Steelhead show with host Mark Pendlington of Sport Fishing B.C! This show promises to be one of our best! I will let you know when the show is going to air.

With so many great guests and times that we had during our fall Steelhead season it is hard to mention all of the names. Here are a few high lights!

We were happy to host Jim Teeny and his partner in crime Steve Dorn this past fall. Jim and Steve really showed the boys how to catch Steelhead on the fly. Pictures of there trip can be viewed as with all of our other great pictures on our website at, www.westcoastfishing.ca

Larry Sunderland not landed his first Steelhead on the fly he also landed his first Steelhead on the dry fly! Way to go Larry.

We can't forget David Haaland who braved the Mez with Robert all by himself for a week landing some real nice fish.

To Hunter and his broad, Rod and the gang, Lewis, Bill, John, Cathy, Shawn and Desiree to Maven, Neils and Tim, Gill and his son in law and the rest of our guests from this fall thank you for a great time! We will be seeing you next season.

On our next newsletter I will be outlining our Sport Show Schedule for later this winter. Keep you tip up! Tight Lines!
