

Wishing you were here fishing report

October 24, 2004

Hello all, I thought it was about time for a fishing report. There have been a lot of changes since the last report. Justin has moved on to a car lot, too bad so sad, I wish him luck in his new adventure. In the mean time, the fishing continues to be very good. We have had some rough weather and lower than average runs of Coho but the Steelhead runs seem to be strong. I guess you can't have it all! Or can you? We have been catching rainbows & bull trout as well as Steelhead, all in the same day... not to shabby. Our season is just about over and I must say it has been a very big year for Westcoast Fishing Adventures, we have added some new Steelhead water. Two new rivers that most of our Spring Steelheaders have never seen. And a new guide, Cam. He is happy to be with us, he was born and raised here in Terrace and grew up fishing the rivers in his backyard. I would also like to thank every one of our guests for making this a season one to remember and we look forward to seeing you again, most of you are just like family! Please have a look at the website, www.westcoastfishing.ca I have updated most of the photos. Just about everyone who fished with us is on there. If you get this report and you don't see your photo on the site please send us one of your trip.

We are also offering salt water trips for Salmon and Halibut as well as crab. This is just another bonus and a great addition to our fishing packages, these trips are not chartered out they will be out of our main lodge. All you have to do is book it. This way you will never be put out of a great day of fishing. You will have your choice of river or ocean. However space will be limited as we will only have one 26ft ocean boat to do these trips, with all the safety gear and comfort to accommodate up to 4 persons at a time.

Photo of the three amigos with some Ocean caught Coho Salmon good job boys we look forward to seeing you again. Ps Take care of the porcupine Hat !!!

This is a photo of a guest of ours Don McLaughlin with one of his prize Steelhead on the fly! Good job Don we look forward to seeing you again.

Spring steelhead dates are filling fast so if you plan on coming get your spot reserved today !!

Sport shows I will be attending this season.

- SCI In Reno from January 26th to the 29th
- San Mateo 3rd to the 6th
- Pleasanton 25th to the 27th

There may be more I will add them to the next report.
